Murat Ozmekik presently occupies the following national and international posts:

- Vice President of Badminton Europe Confederation;
- President of COMEBA;
- Vice President of Balkan Badminton Union;
- President of Turkish Badminton Federation.

Murat Ozmekik is presently studying for a Ph. D degree at the Sofia Sports Academy.

Murat Ozmekik has been actively involved in Badminton, at national and international level, for the last 26 years; during this period

- He was Turkish Badminton national coach for 12 years.
- He successfully managed the "Ego Sports Club" to win the Turkish National Championship for more than 10 years.
- He reintroduced about 100 National Sportsmen to the Turkish National Team.
- He secured advantageous sponsorships for the Turkish Badminton Federation.
- He led the Turkish Badminton Federation to reach the top five position among all federations in Turkey.
- He succeeded for the first time in sending players to participate in the Olympic Games.
- He regularly sourced and supplied Badminton equipment, bearing the Turkish Badminton Federation's own TBF brand name, which the Federation then distributes free of charge to schools as well as to orphans and inmates.

Murat Ozmekik will be a candidate at the forthcoming election to the Badminton World Federation Council / Executive Board; this will be taking place in Australia, during the BWF's Annual General Meeting in May 2017.

Murat Ozmekik hereby requests your full support for his candidature.

Confederation of Mediterranean Badminton (COMEBA)

Should he be successfully elected, **Murat Ozmekik** hereby promises to:

- Enhance the popularity of Badminton in developing countries through the implementation of the following measures:
 - ✓ Generation of development programmes.
 - ✓ Provision of sponsorships.
 - ✓ Organisation of "free" Training Camps for players and coaches in developing countries; the extent of financial support provided will be established according to each National Association's financial status as well as the extent of its development.
 - ✓ Supply of Badminton equipment at no cost to developing National Associations.
- The creation of social responsibility projects for all segments of World Society with respect to Badminton play.

Thank you in advance for your kind support.

Sincerely,

Murat Ozmekik
